## About the League

Welcome to the 2025 PGA Junior League! We are very excited to have you as part of our team. The PGA Junior League brings friends and family together around fun, team golf experiences with expert coaching. This league varies in age and golf experience. The PGA Junior league is a great learning experience for all, from beginner to advanced. During practices and competitions, you will have the opportunity to play with golfers of all skill levels, ages 7-13. The PGA Junior League believes that playing with other age groups and skill levels will help juniors grow as golfers and gain new friends. By the end of the season, we will cover every aspect of the game. As we all know, golf is not just about the swing. Yes, we will cover the mechanics of the swing, but we will cover golf etiquette, too.

## **Signing Up for Practices and Matches**

We will be using Golf Genius for all communication, practice sign up and match sign up. Please be sure to add the email address, [noreply@golfgenius.com](mailto:noreply@golfgenius.com) to your contacts.

You will receive an email every Wednesday at 8am to sign up your junior for the following week's practices (Monday or Tuesday) and Sunday matches. There will be 3 separate email invites that you receive. One for Monday's practice, one for Tuesday's practice and one for the Sunday Match. In each of these invites you will have the option to select Attending/Playing or Not Attending/Not Playing. You can only register for one practice per week. There are 15 spots each practice, both days will cover the same material, so your junior will not miss any content. You are not committed to one day for the entire season and will be able to switch days each week for practices. There will be no deadline to sign-up for practices.

The deadline to sign up for matches is 12:00pm on Friday. This will allow coaches time to pair players and send match pairings out by Saturday night.

If you need to cancel and can't make the practice or match, please contact the golf shop at 913-890-1600. There will be no make-up practices or matches. An email will be sent out if the Match has been canceled.

## **Location For Practices and Matches**

**Practices:** Due to the removal of the short game area at Sykes/Lady all practices will take place at ***St. Andrews Golf Club (11099 W. 135th Street).***

The meeting point will be under the big tree by the chipping green on the North side of the clubhouse. If weather is an issue an email will be sent out at least one hour prior to practice.

**Matches:** Pairings will be made based on age and skill level each week and sent out by Saturday night. Matches will take place on the Par 3 Course at ***Sykes/Lady Golf Club (12501 Quivira Road)*** each Sunday. A Coach will be at the first tee box to hand out scorecards and go over rules before each Match. Please have your junior arrive at the tee box 10 minutes before their scheduled tee time. Jersey colors for Matches will be announced when pairings are sent.
