## **Quota System**

The quota system will allow us to make a level playing field each week. Instead of strokes, players will mark down scores based on the table below:

Score	Points Total
Bogey	1 Points
Par	2 Points
Birdie	4 Points
Eagle	8 Points

If you are not putting for points, you may pick up your ball, record 0 for your score and go to the next hole. After the round has completed, players will add up their points and then post how many over/under (+/-) the player is from their starting quota.

Each player's quota will then be adjusted for next week's play based on the information below:

If you shoot +1, E, or -1 to your quota: Same quota for the next week

If you shoot -2 or lower: Quota lowers by 2 for the next week

If you shoot +2, +3, +4: Quota raises by 2 for the next week

If you shoot +5, +6, +7: Quota raises by 4 for the next week

If you shoot +8, +9, +10 or higher: Quota raises by 6 for the next week

The goal is to accumulate as many points over your quota as possible.

## **Scoring / Prize Payout**

Scorecards are to be turned into the Pro shop immediately following your round.

The player with the most points over their quota wins. We will pay out the top three players (ties will split the payout) of the field each week and that amount will be determined by how many players play.

## League Rules

All USGA rules apply.

In the event of a rainout, an email will be sent to all players. The competition will be canceled regardless of your position on the golf course. Quotas will carry over to the next week without changing. Rainout notifications will be made as soon as possible.

All rulings and disputes will be handled by the Duty Professional. Please call the golf shop (913) 890-1600 and ask to speak to the Duty Professional.

Local Rules:

- *For a two stroke penalty, a ball that is lost or out of bounds may be dropped in the fairway within two club-lengths of that fairway edge point, no nearer the hole. Players must estimate the spot where your ball is lost or went out of bounds to use as a reference point.*
- *Lift, Clean and Place in the General Area will be implemented on days carts are restricted to the path. The golf ball must be placed in the **original** spot, no closer to the hole.*
- *All native grass is played as a penalty area, not lost ball.*
- *The fence on North #3 is an immovable obstruction. If the fence affects swing, stance, or line of flight, a free drop is granted. Pick up your ball and drop in the nearest drop zone, no closer to the hole. No penalty stroke.*

## Pace of Play

Sykes/Lady Overland Park Golf Club promotes a comfortable and fair pace of play that lets all of our players fully enjoy their round of golf. A normal 9-hole pace will consist of playing the round in 2 hours and 5 minutes or preferably less. Please be aware of your pace and always keep up with the group ahead of you. Ready golf rules should always be observed.

In the event of slow play or any other occurrences that need to be addressed, please call the golf shop immediately at 913-890-1600 and ask to speak to the Duty Golf Professional. We want to make sure that you are completely satisfied with your round after completion and we will handle the situation as soon as possible.
